I THINK I MIGHT 'AVE OVERDONE IT!

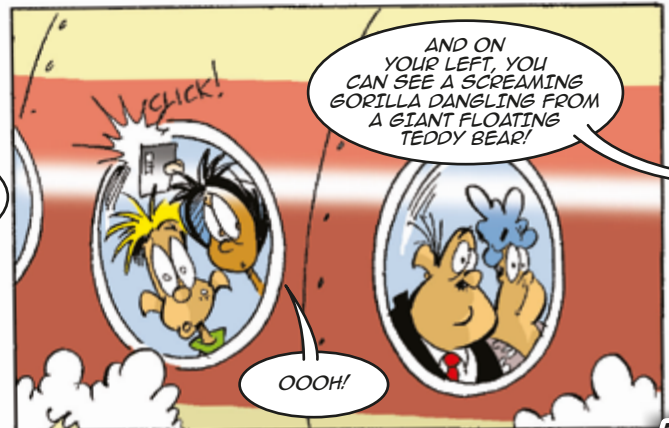

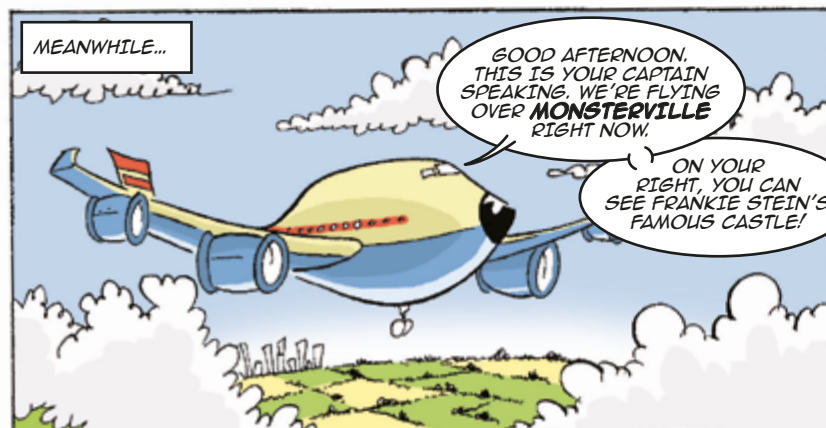

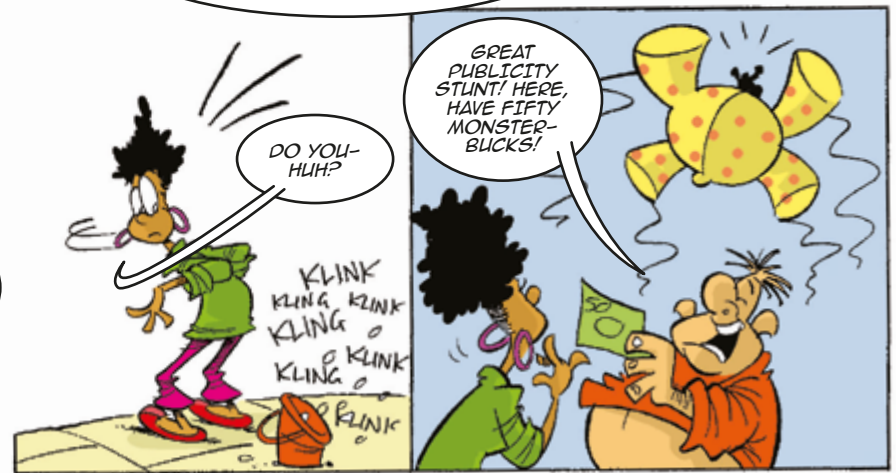

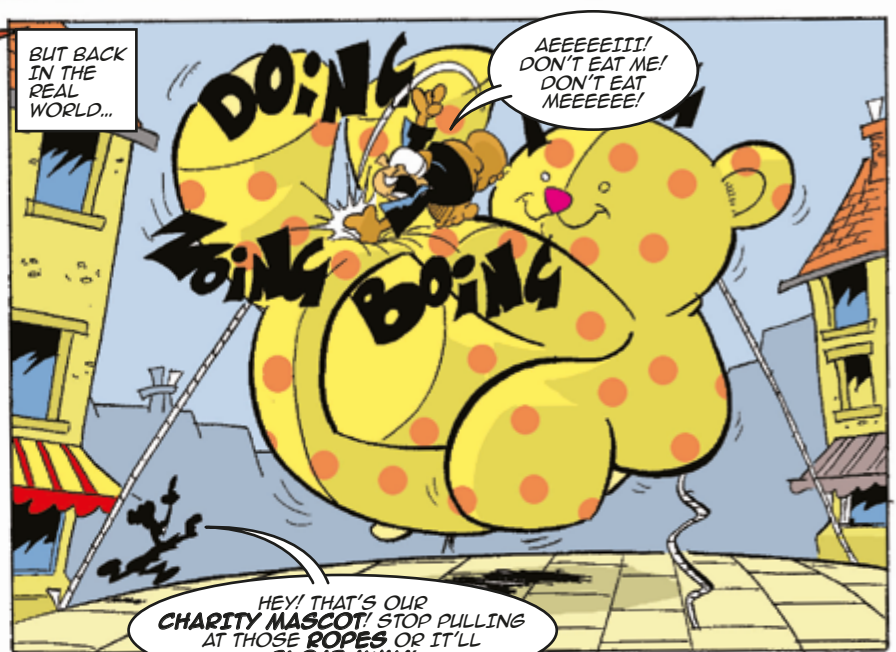

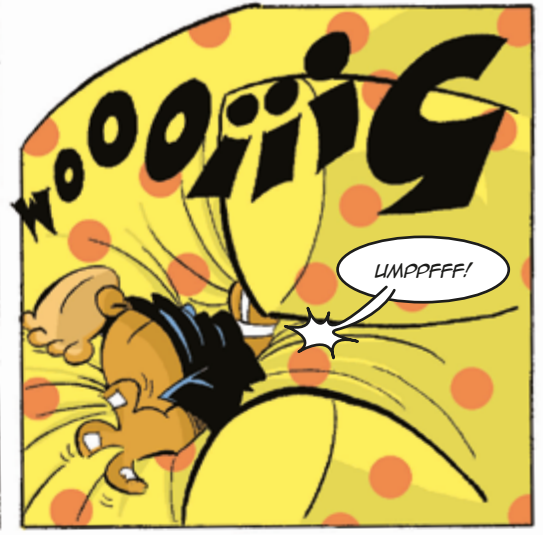

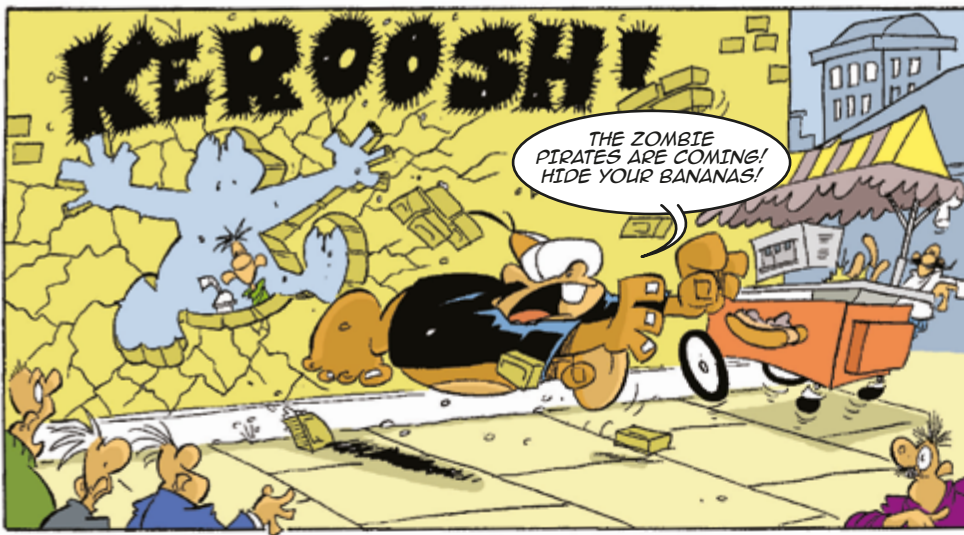

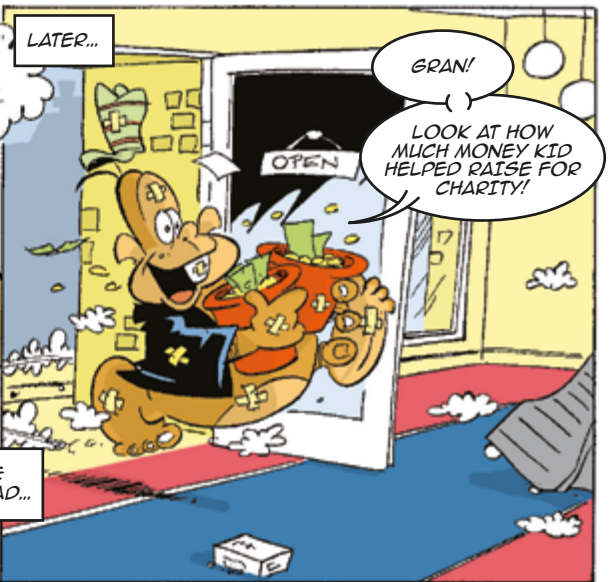

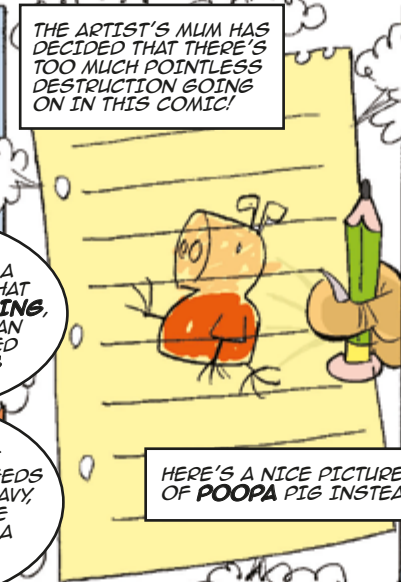

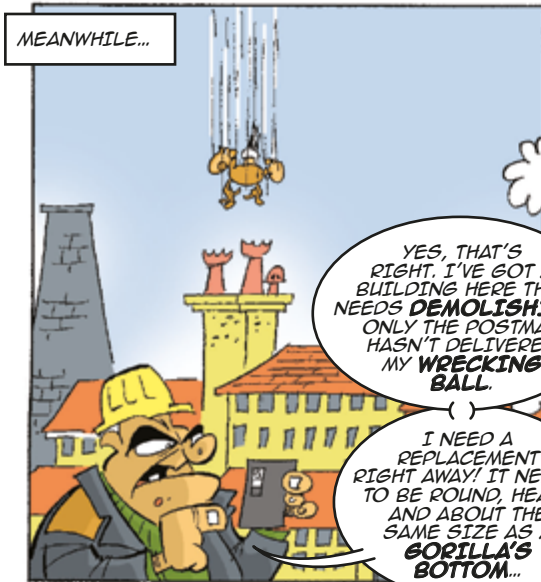

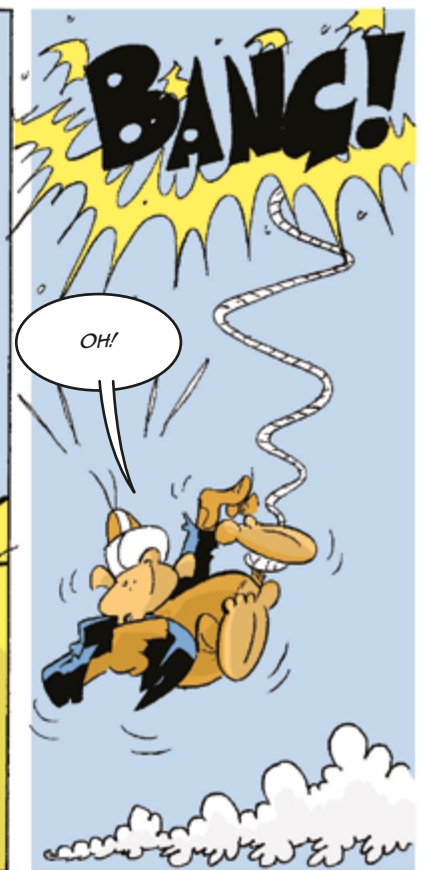

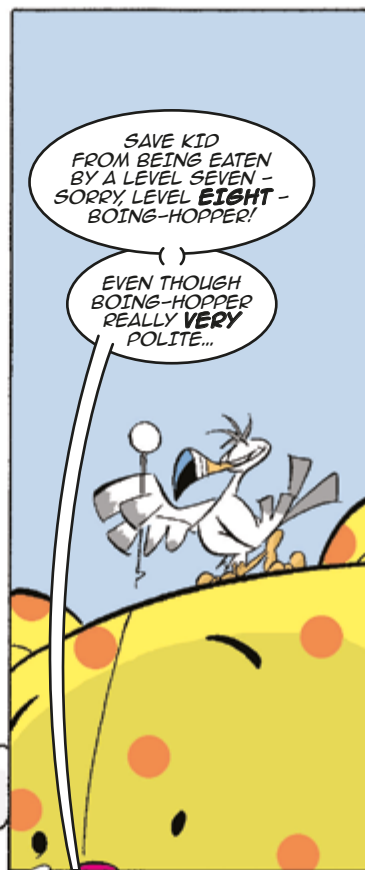

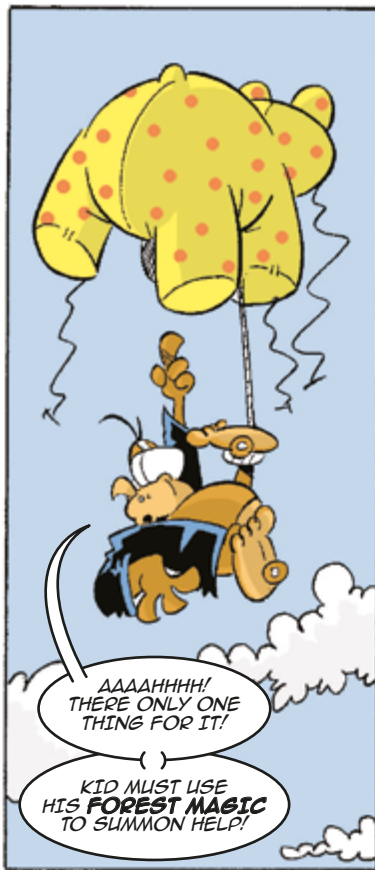

# KID KONG

IT'S 'ASK BIG D ANYTHING' DAY, AND...

WE'VE RECEIVED A LETTER FROM A MIKE RUMPETTS FROM GREATER WITHERING-PLOP. HIM AND HIS GRANDMA WANT TO KNOW HOW THE DINOSAURS BECAME EXTINCT!

WELL, LET'S USE MY DEMON MAGIC TO GO BACK TO DINOSAUR TIMES AND FIND OUT!

AND SO, IN DINOSAUR TIMES...

REMEMBER, TIME TRAVEL IS VERY DANGEROUS! DON'T TOUCH ANYTHING!

AM I DEAD?

SO, MIKE, YOU THINK AN ASTEROID MADE THE DINOSAURS EXTINCT, AND GRANDMA, YOU RECKON IT WAS A VOLCANO!

BOTH WRONG! AND I'LL BET YOU £10 EACH THAT I KNOW WHAT DID IT!

DEAL!

HERE COMES AN ASTEROID NOW! LOOKS LIKE YOU COULD BE RIGHT, MIKE!

NOPE!

BUT, LOOK AT THAT VOLCANO! IT HAS TO BE THAT!

DOUBLE NOPE!

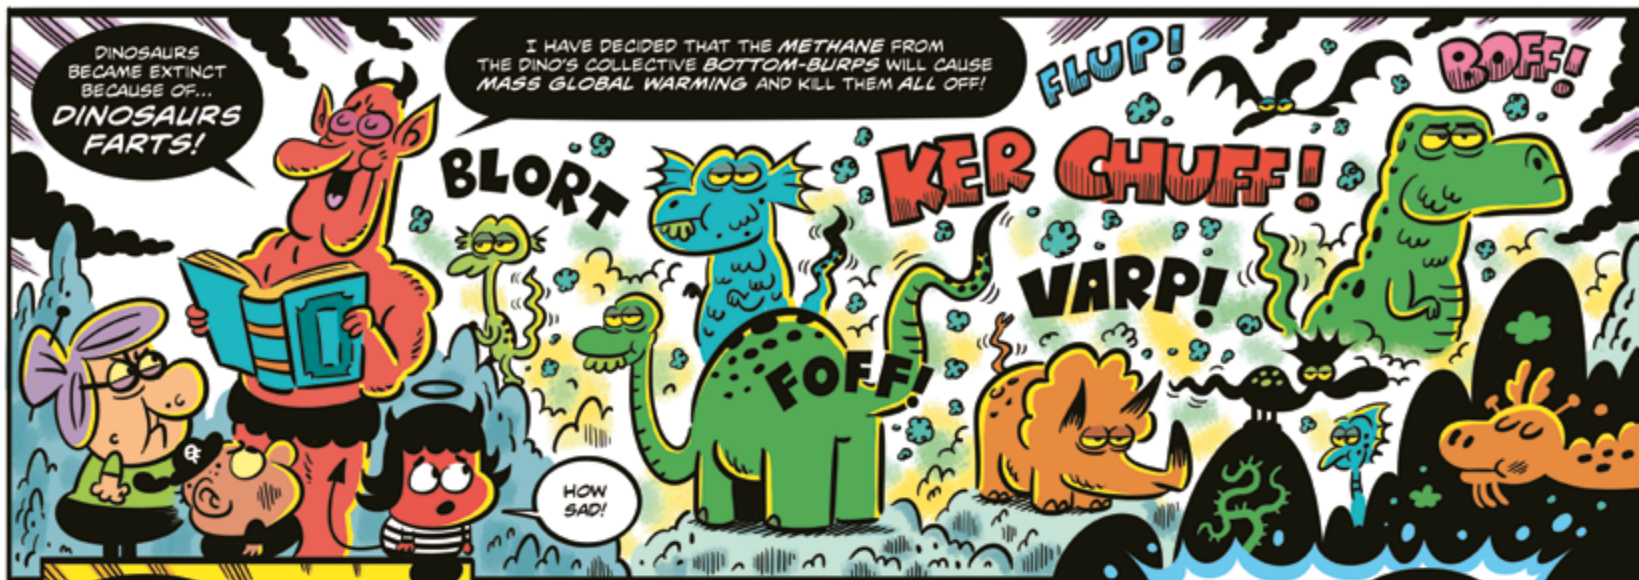

SPLUTTER!

**KER-PLUG!**

HA! I KNEW YOU'D BE WRONG, BECAUSE I USED MY DEMON MAGIC TO REWRITE WORLD HISTORY AND DECIDE MYSELF HOW DINOSAURS BECAME EXTINCT!

THAT'S CHEATING!

DINOSAURS  
BECAME EXTINCT  
BECAUSE OF...  
**DINOSAURS  
FARTS!**

I HAVE DECIDED THAT THE METHANE FROM  
THE DINO'S COLLECTIVE BOTTOM-BURPS WILL CAUSE  
MASS GLOBAL WARMING AND KILL THEM ALL OFF!

**BLORT**

**KER CHUFF!**

**VARP!**

**BOFF!**

HOW  
SAD!

NOW, PAY UP!

HERE YOU GO!  
ALL BETTER!

WAIT! I HAVE  
INDEGESTION  
TABLETS!

**NO!!!**

I TOLD YOU  
NOT TO TOUCH  
ANYTHING!

BACK IN MODERN DAY...

OOPS! LOOKS  
LIKE THE DINOSAURS  
AREN'T EXTINCT  
ANYMORE!

HEY!  
GIVE US OUR  
MONEY BACK!

**THOMP!**

URGH!  
I'VE TRODDEN  
IN PLOP!

**DOFFF!!**

DON'T WORRY,  
READERS! I'LL JUST  
HEAD BACK TO  
DINO-TIMES AND SET  
EVERYTHING RIGHT!

NOW, WHAT  
WAS THE CORRECT  
EXTINCTION AGAIN...?

IT WAS AN  
ASTEROID!

VOLCANO!

# STEEL COMMANDO

Hold on there Ironsides!\* Nearly worked this out...

What's red wire in German?

WHUMPI!

Notes Habel.

Why?

\* ERNIE'S NICKNAME FOR THE STEEL COMMANDO

Well don't cut that one then!

AAAAAAAAAH!

Attack him,  
Fliedermausmensch!

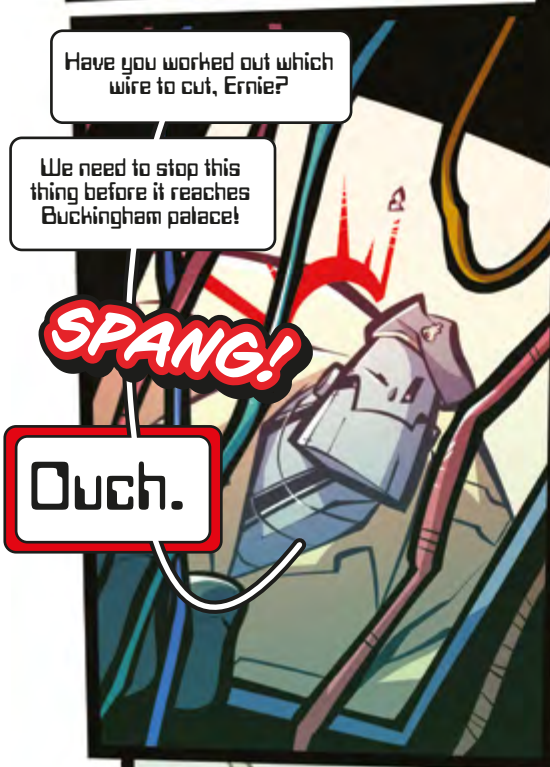

DAKKA!  
DAKKA!  
DAKKA!

Are you  
making friends,  
Ironsides?

That's Maxine Von Horr,  
the fighter pilot. Those are  
her... giant bat pets?

Why do you never  
study the briefings,  
Ernie?

Have you worked out which  
wire to cut, Ernie?

We need to stop this  
thing before it reaches  
Buckingham palace!

SPANG!

Ouch.

Get him  
off the  
rocket!

I don't  
care  
how!

Maxine's father  
was World War I  
Flying Ace,  
Max Von Horr!

She's just  
as ruthless,  
and--

CRUMP!

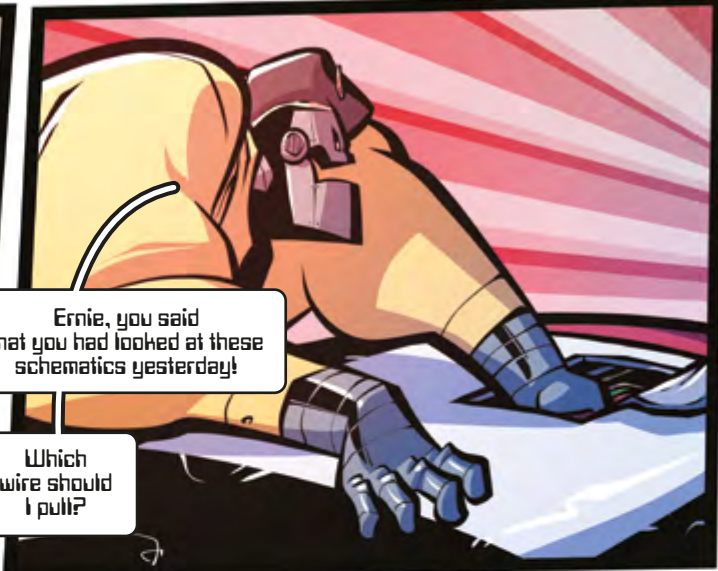

AAAAAAAAAAAA!

I think that's enough messing around. Let's stop this thing!

Ernie, you said that you had looked at these schematics yesterday!

Which wire should I pull?

Sorry Ironsides, I had a big nap yesterday instead.

It can't be that hard, it's not exactly rocket science...

Err... the blue one?

**Ironsides!**  
Where are you?

Hello?  
Little girl?  
Are you Ok?

Hello Ernie!  
You haven't seen  
my body anywhere,  
have you?

What happened?  
Where am I?

Beats me.  
I stopped paying attention after  
things went boom!

I suppose  
we'd better get you  
somewhere safe.

I'm Ernie  
and this is the  
Steel Commando.  
What's your  
name?

My name is  
Penny...  
I think...?

**TAK!**

**TAK!**

This way!  
Quick! It's  
getting pretty  
hairy out  
here!

BACK AT PROFESSOR BRAYNE'S LAB.

I'm sorry Ernie,  
there's just no point in  
fixing Mark I. He's  
old technology.

I am right here.  
I can hear you,  
you know.

What do you  
mean, Professor?  
There's no soldier in the  
army as strong as the  
Steel Commando.

What does  
this do?

Reporting for duty!  
**SIR!**

Well,  
actually  
there is! Meet  
Mark II!

Can someone turn me  
around so I can see what  
is going on?

He's powered  
by a personal nuclear  
reactor...

He can do  
the work of the  
Bletchley Park  
codebreakers in  
a fraction of  
the time!

What are you do--

I'm sorry  
Professor. I did  
break those  
German codes.

I've been  
speaking to  
the enemy.

**CRASSSHHH!**

I know you're working on an even more updated model, Professor!

Where are the plans for the Mark III?

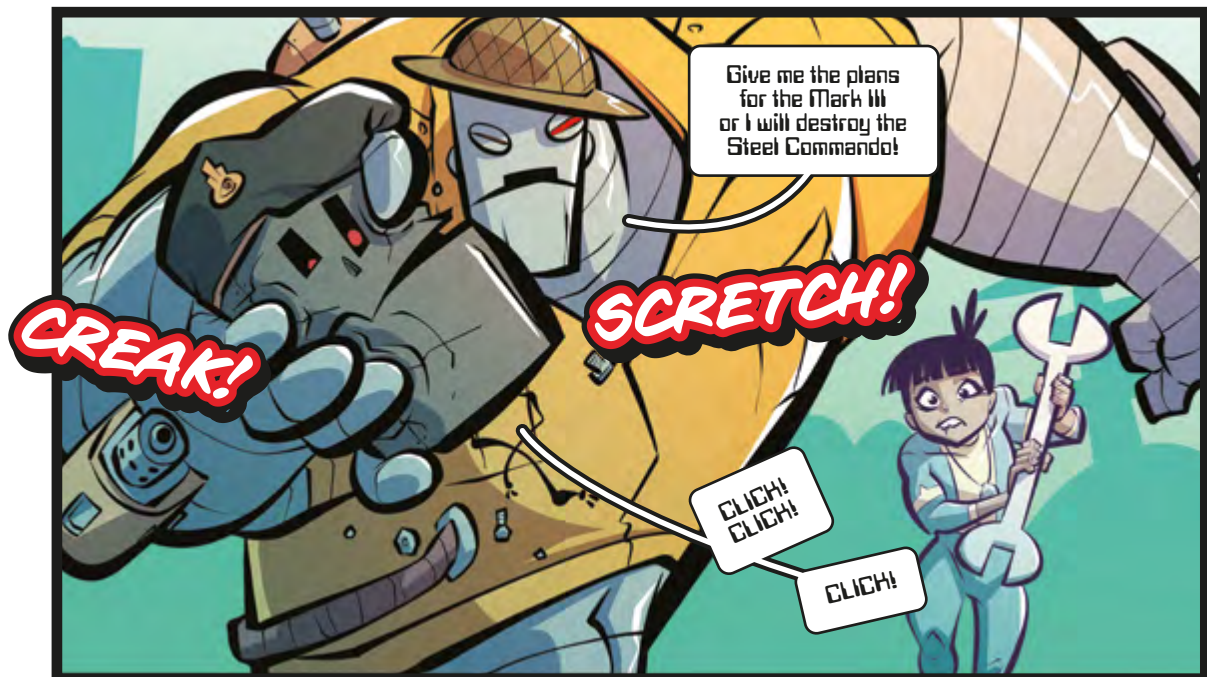

Leave him alone! Why don't you pick on another robot, you coward?

The Germans have offered me a life. They'll treat me as an equal. Not as an object.

You could join me. You won't have to do the humans' dirty work any more.

Lick my battery, you traitor!

Give me the plans for the Mark III or I will destroy the Steel Commando!

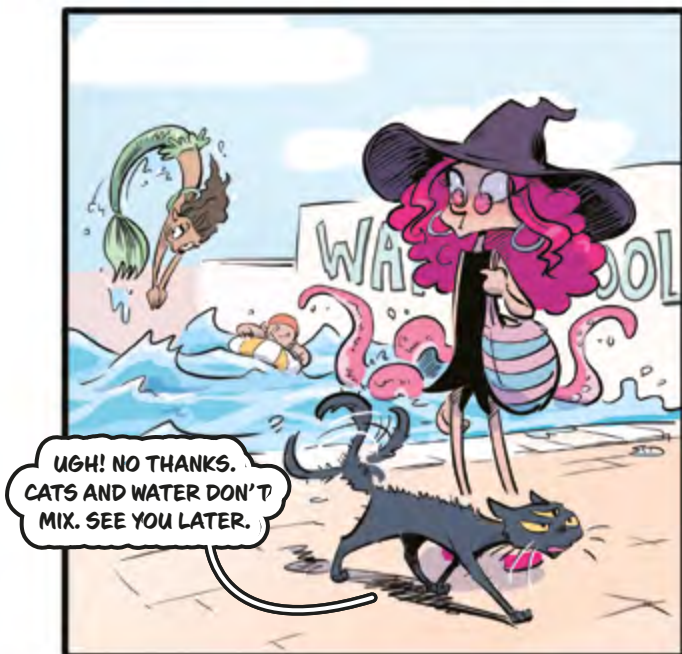

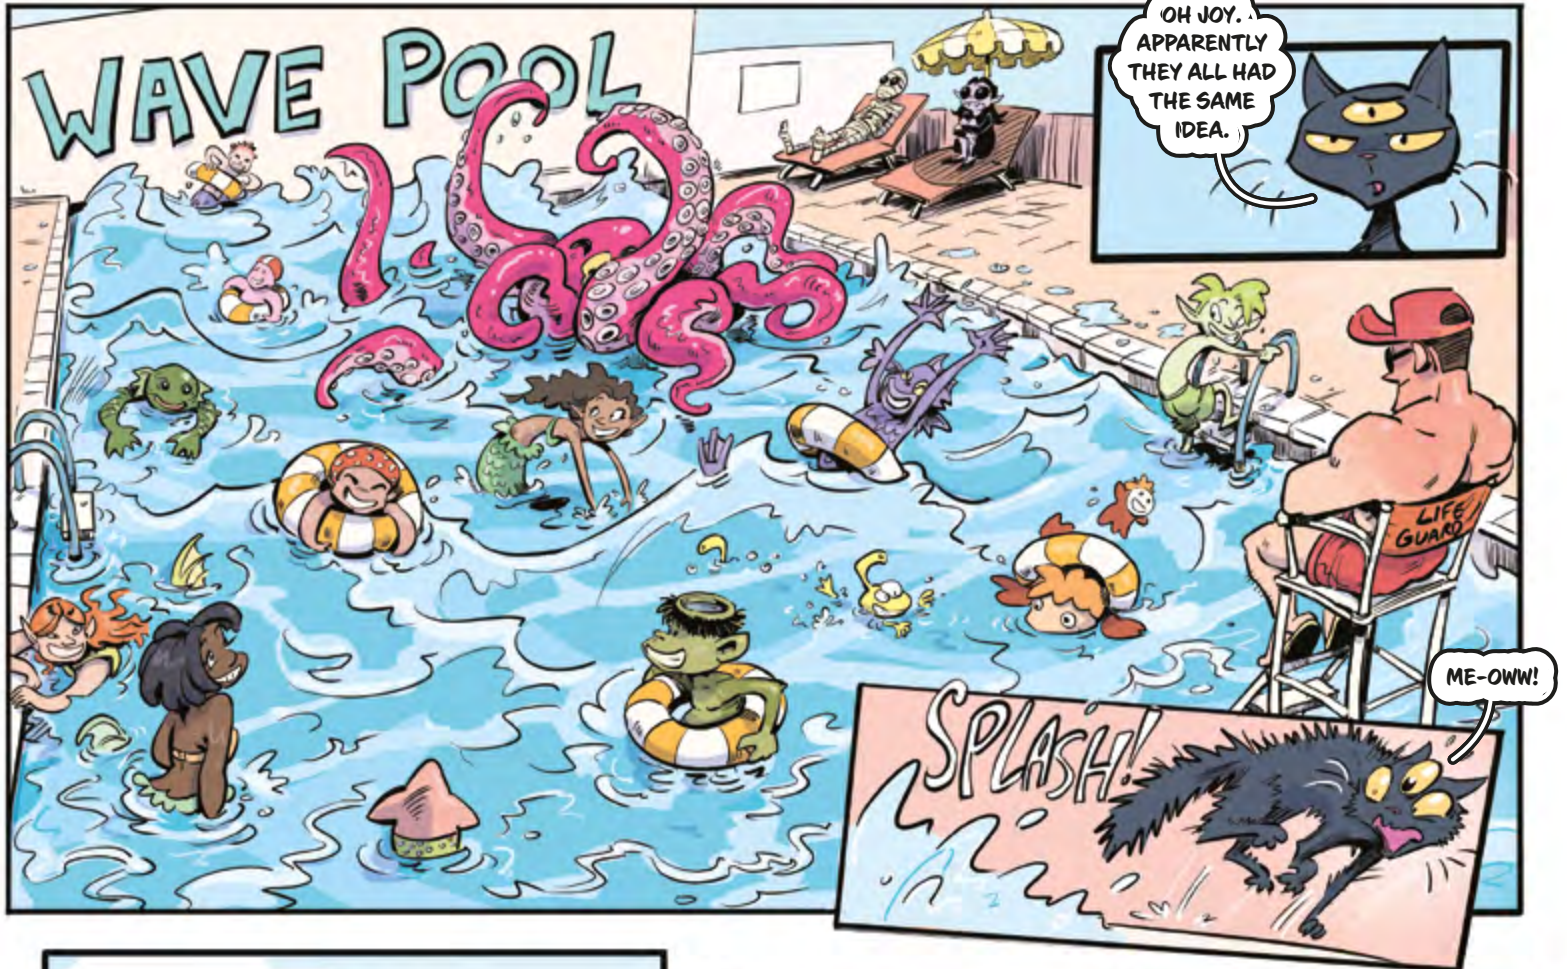

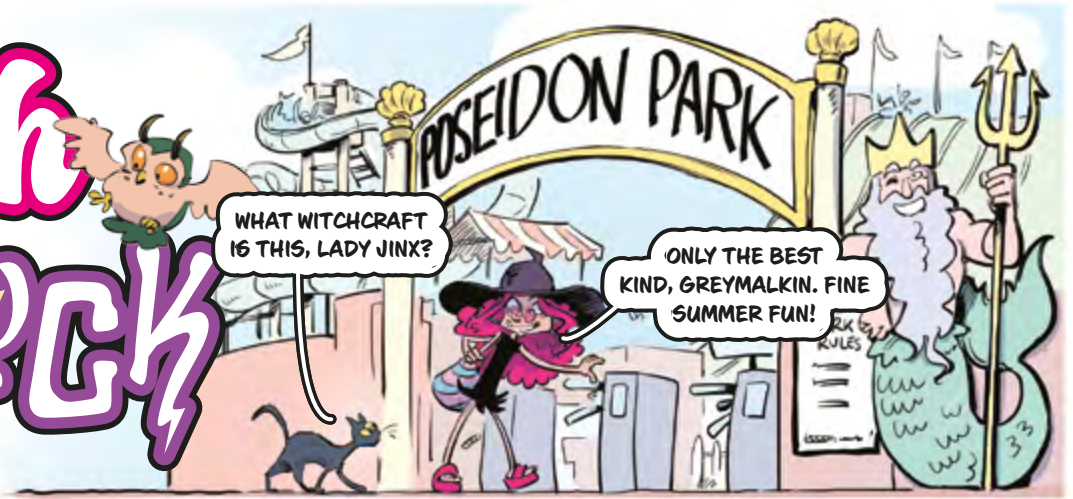

Continue the story in the awesome Steel Commando graphic novel!

## MONSTER MAILBAG

Dear Monster Fun,

I really enjoyed your Dino-Scare issue.

Dinosaurs are the coolest monsters, especially the T-Rex which is my favourite dinosaur of all time. The Leopard of Lime Street is really cool too. I would love to see him team up with Spider-Man! Is he the first ever British superhero?

Ollie Hayes, 10 - Norwich

If you like dinosaurs and superheroes Ollie, then you are going to LOVE the Monster Fun Christmas issue! There is a new story starting in that issue which is right up your alley!

As amazing as he is, the Leopard is not the first or the only British superhero. You have forgotten our very own Steel Commando! Made in the UK, SC is British through and through - his arms come from Liverpool, his legs are from Birmingham, his head is from Glasgow....!

Your letter will make the perfect base for my Fire Ant Pâté

## Star Letter

Dear Monster Mailbag,

I love Monster Fun because it is the funniest comic in the world! I really like *Hire A Horror* the best because there are always new monsters in it to look at and read about. Some of them like Neville (he was in the *Ghoulish Gaming* issue - ED) deserve their own comic strip. Another character I like is Cootie from *Space Invaded!* because he looks cute, but he's really naughty.

Edith Christakos, 9 - London

You're right about one thing Edith - it is the funniest comic in the world! Forget about that silly lot getting their own strips though - what about me! All Monster Funsters would love to read about the adventures of the *Monster Mailbag*! Speaking of new strips, I hope you enjoy *Frankencritter's* first appearance in this very issue. There are plenty of other new stories coming your way very soon, such as *Crabbe's Crusaders* which starts in our *Halloween Spooktacular*!

Now that's answered I can add your letter to my snail slime and mouldy parsnip casserole.

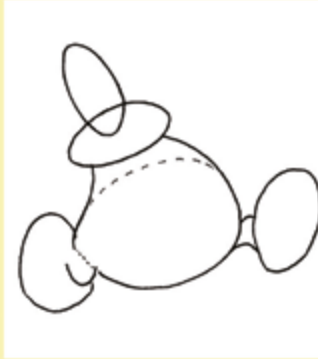

# HOW TO DRAW...

# KID KONG

HAVE YOU EVER WANTED TO DRAW KID KONG? WELL HERE'S HOW YOU DRAW THE BIG, CLUMSY CLOD!

START WITH THE SHAPE  
FOR THE HEAD AND BODY  
WITH A LINE OF ACTION

CONNECT THE BODY  
CIRCLE TO KID'S CHIN  
---ADD HIS BIG FEET  
AS OVALS.

PLACE HIS TOES AROUND  
THE FOOT SHAPES---  
ADD HIS ARM LINE AND  
A CIRCLE FOR HIS HAND.

ADD THE SHAPE OF  
HIS COAT.

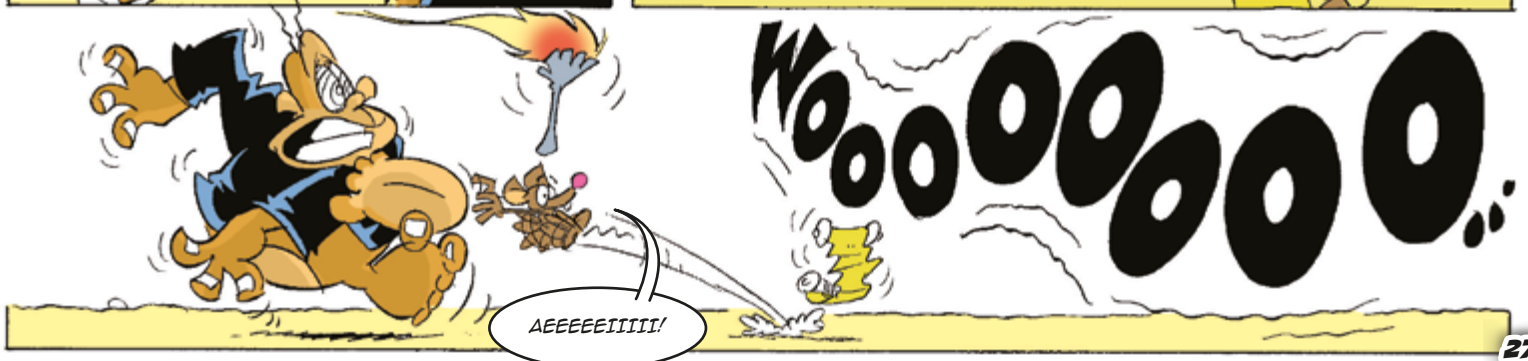

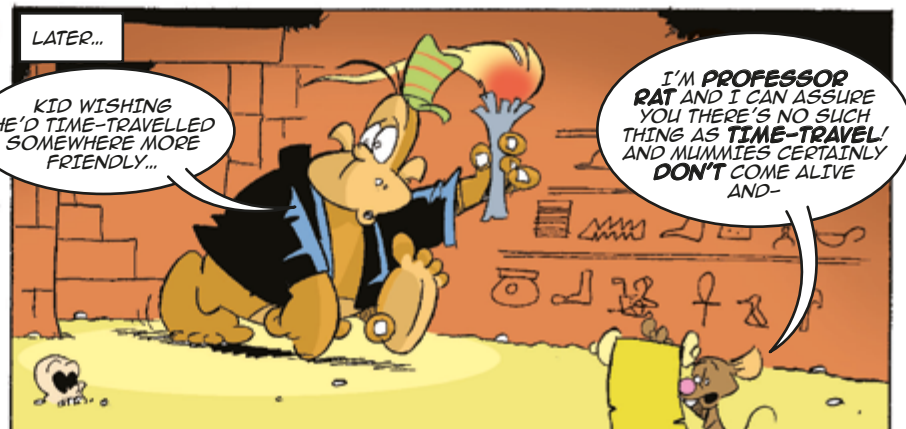

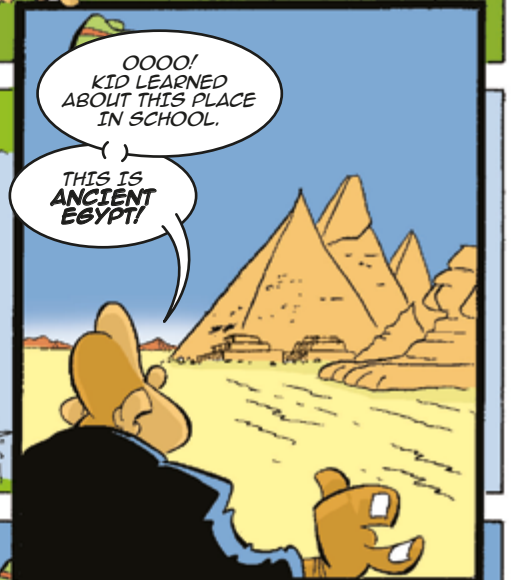

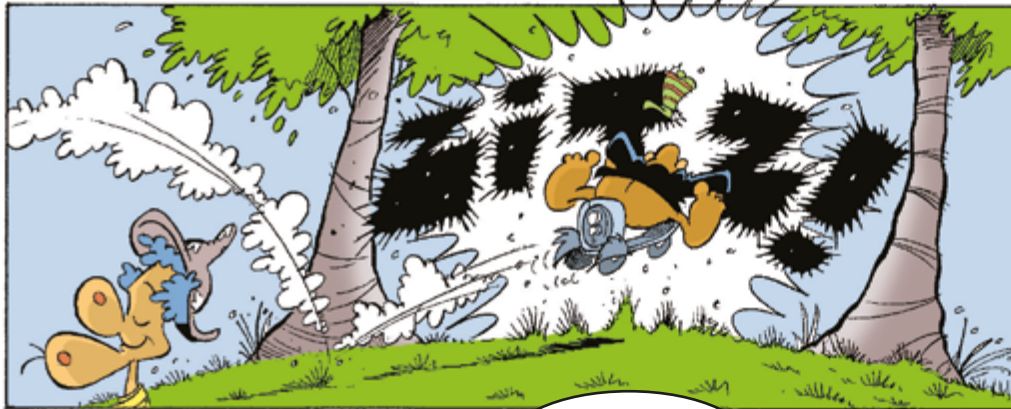

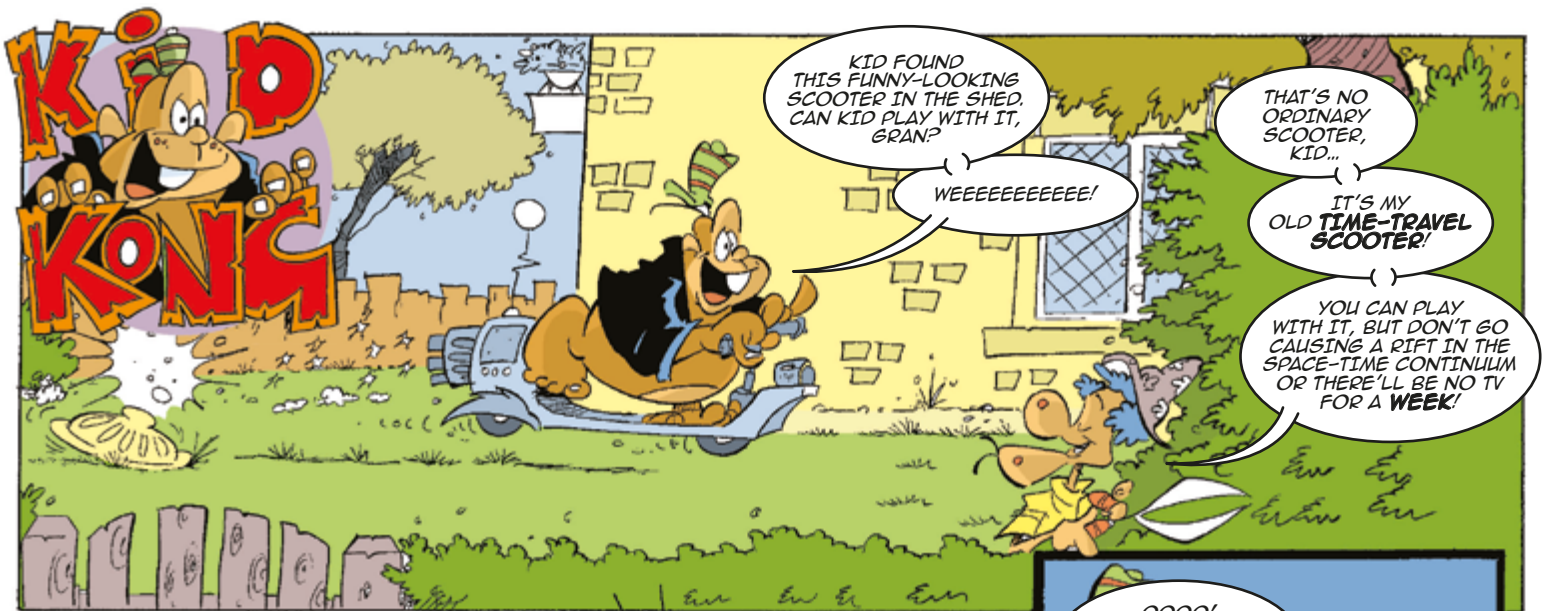

NEXT DRAW IN HIS BIG,  
GOOFY, SMILING FACE  
AND ADD THE HAT.

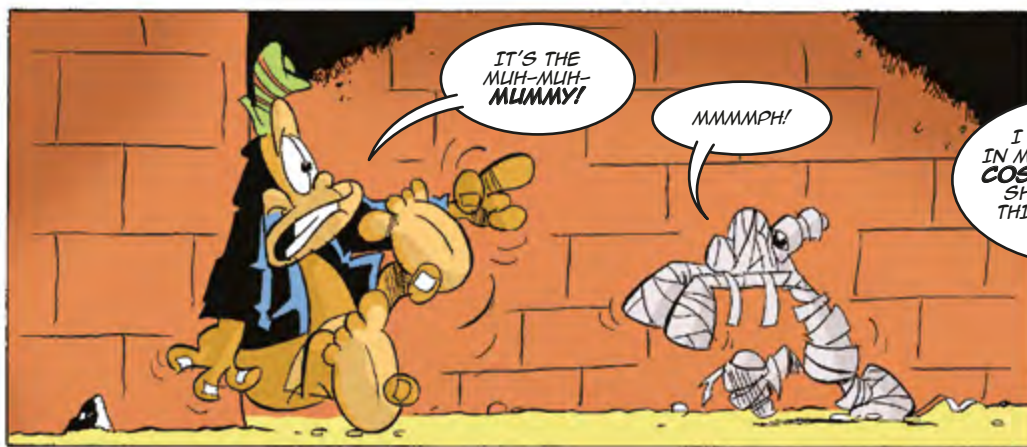

FINALLY SHADE AND  
COLOUR IT ALL IN AND  
YOU HAVE DRAWN KID.  
WELL DONE!

NOW IT'S YOUR TURN TO DRAW KID KONG---GOOD LUCK!

IT'S THE MUH-MUH-MUMMY!

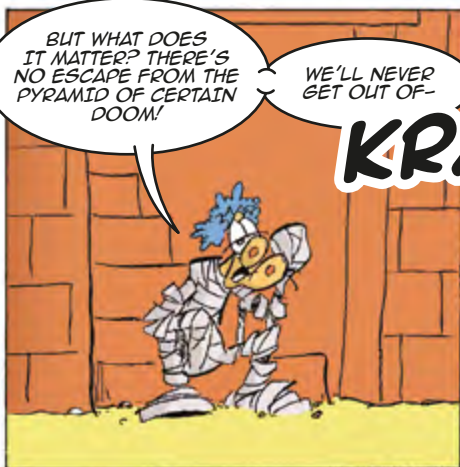

MMMMPH!

I'M NOT A MONSTER, YOU BIG HAIRY OAF!

I FELL ASLEEP IN MY HALLOWEEN COSTUME AND GOT SHOVED INSIDE THIS PYRAMID BY MISTAKE!

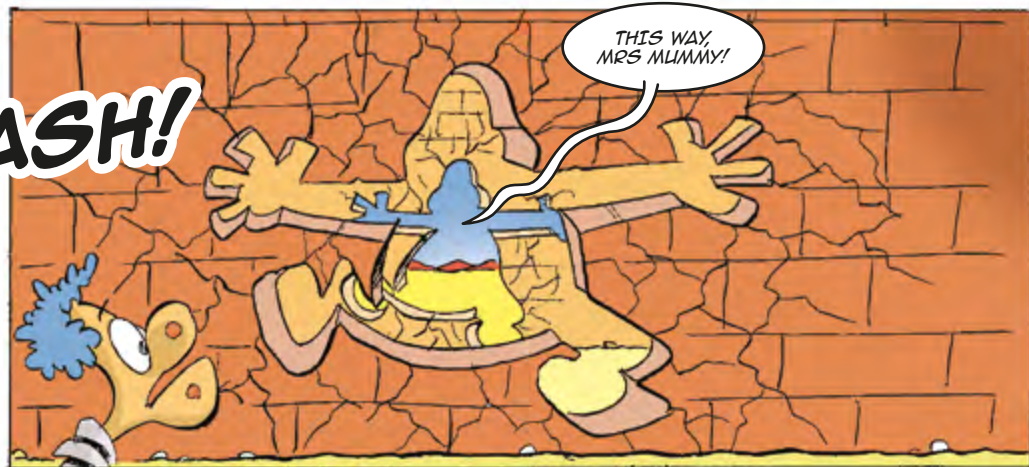

GRAN'S GREAT-GREAT-GREAT-GRAND-MUMMY!

BUT WHAT DOES IT MATTER? THERE'S NO ESCAPE FROM THE PYRAMID OF CERTAIN DOOM!

WE'LL NEVER GET OUT OF-

**KRASH!**

THIS WAY, MRS MUMMY!

LATER...

HERE YOU ARE, YOUR MAJESTY.

WELL, I JUST HOPE YOU HAVEN'T DONE TOO MUCH DAMAGE TO OUR BELOVED PYRAMID!

OOPS!

**KROOOOOSH!**

LATER, BACK IN THE PRESENT DAY...

UM, WELL... KID DID BREAK ONE THING...

BUT KID HELPED THEM REBUILD IT INTO SOMETHING MUCH NICER!

WE'RE NOT SURE WHAT THE ANCIENT PHARAOHS WERE THINKING WHEN THEY BUILT THIS ONE...

# HELL'S ANGEL

IT'S A LOVELY SUMMER'S DAY UNTIL...

BIG D! I CAN HEAR SOME POOR HUMAN CRYING ON MY 'WOE-DETECTOR'! LET'S GO SEE IF WE CAN HELP THEM!

THAT'S LITERALLY THE OPPOSITE OF WHAT OUR JOBS ARE...

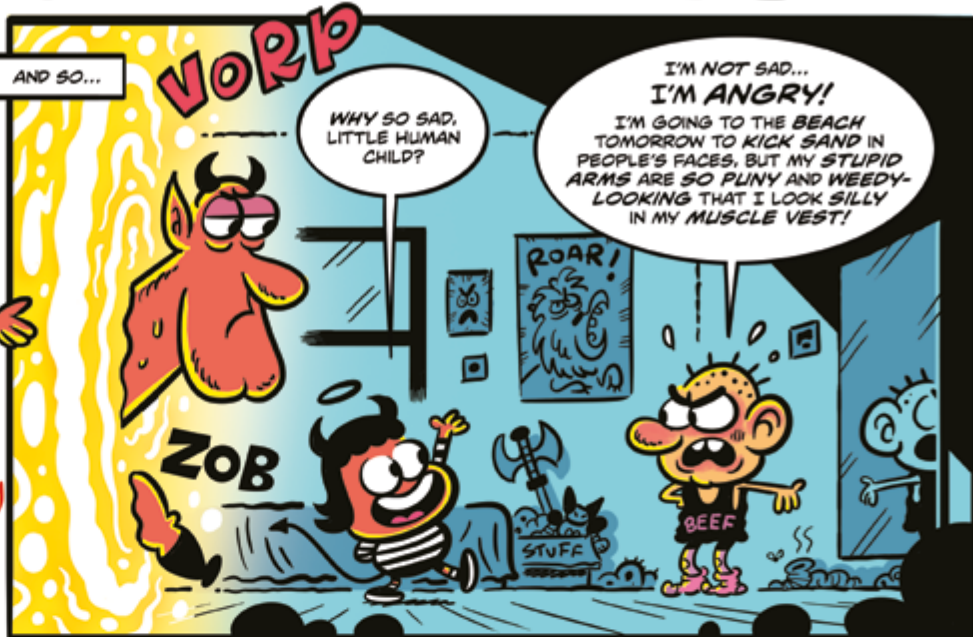

AND SO...

VORP

WHY SO SAD, LITTLE HUMAN CHILD?

I'M NOT SAD... I'M ANGRY!

I'M GOING TO THE BEACH TOMORROW TO KICK SAND IN PEOPLE'S FACES, BUT MY STUPID ARMS ARE SO PLINY AND WEEDY-LOOKING THAT I LOOK SILLY IN MY MUSCLE VEST!

DRY YOUR EYES, LITTLE FREDDY! CAN I CALL YOU FREDDY?

MY NAME'S SIMON!

WELL, FREDDY! THIS IS SOMETHING BIG D AND I CAN DEFINITELY HELP YOU WITH!

HONK!

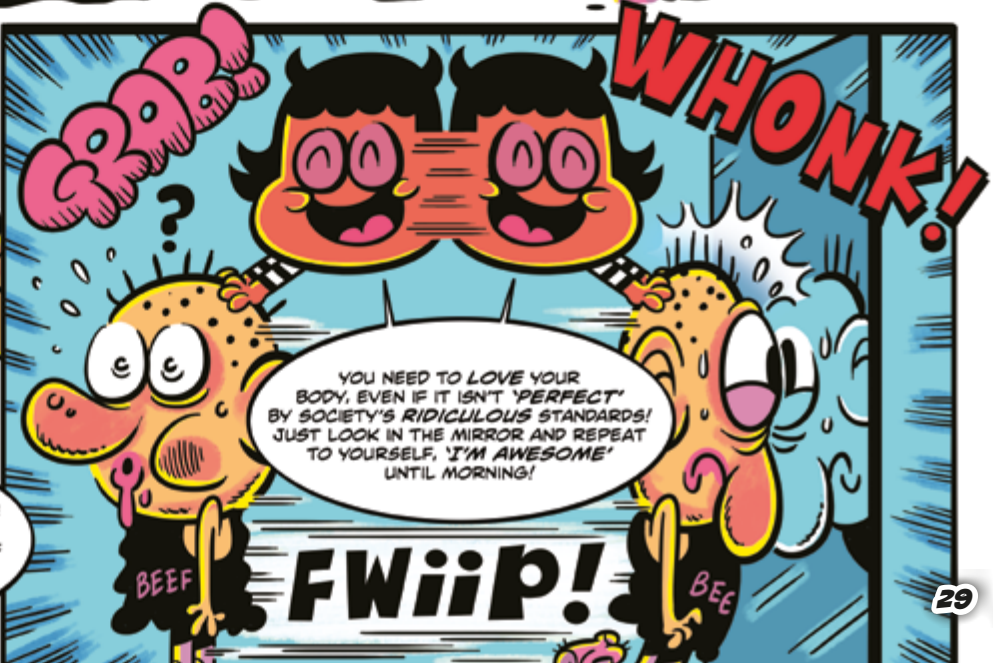

THAT'S RIGHT! FIRST OFF, WE'LL FORCE FEED YOU A DIET OF AGGRESSIVE CARBS AND MAKE YOU CHUG SUPER-STRENGTH PROTEIN SHAKES! AND WHILE YOU'RE CHOKING ON THAT, WE'LL HAVE YOU DO THREE MILLION BICEP CURLS! IT'LL BE INCREDIBLY BRUTAL! YOU'LL PROBABLY BE 'SICK' EVERYWHERE! BUT, IT WILL BE WONDERFUL TO WATCH!

PUSH!

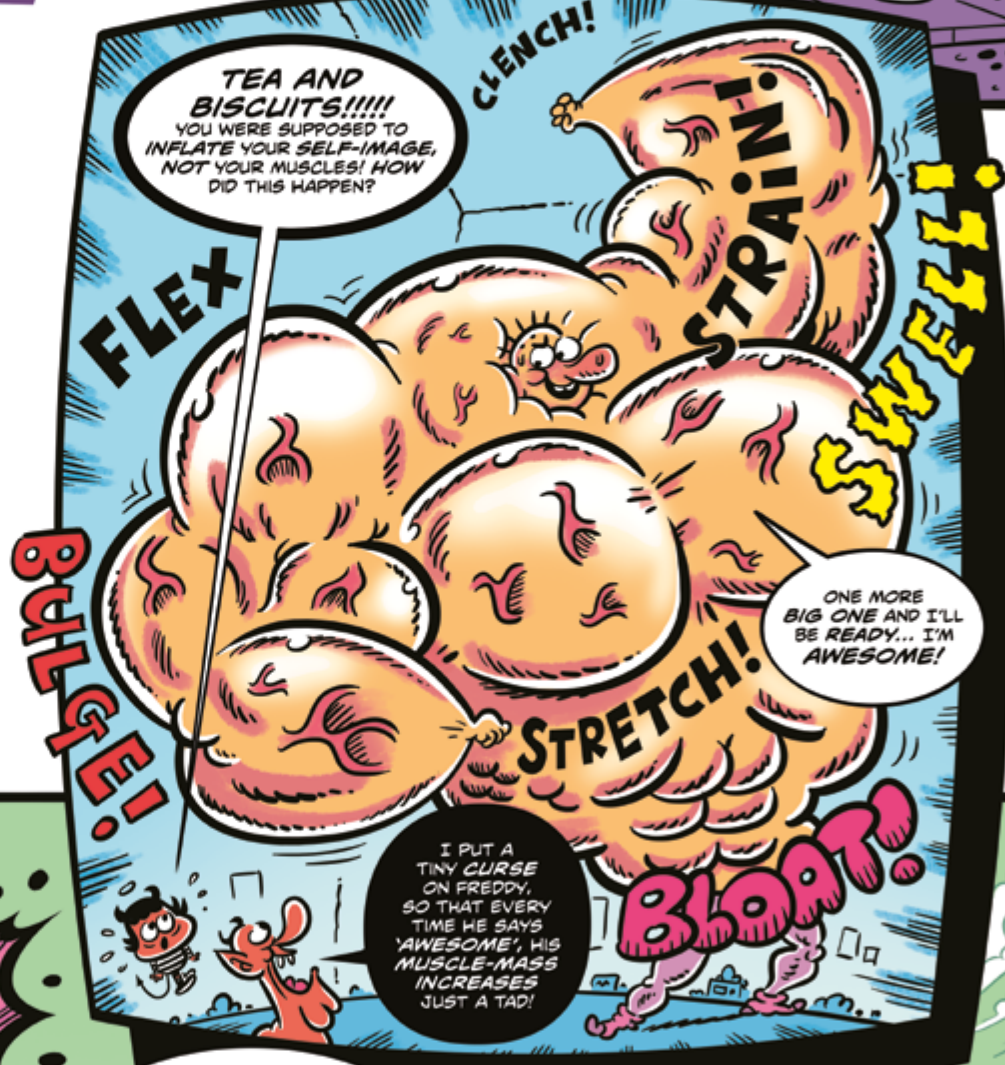

THE ONLY DIET YOU'RE GOING ON, FREDDY, IS A HEALTHY DIET OF BODY-POSITIVITY! COME ON!

YOU NEED TO LOVE YOUR BODY, EVEN IF IT ISN'T 'PERFECT' BY SOCIETY'S RIDICULOUS STANDARDS! JUST LOOK IN THE MIRROR AND REPEAT TO YOURSELF, 'I'M AWESOME' UNTIL MORNING!

FWiip!

DRACULASS AND HER NEW NEIGHBOUR ELSIE VAN HELSING STILL AREN'T GETTING ALONG...

THEY'RE DRIVING ME **BATTY**!

I KNEW THEY'D GET ALONG.

A **PURR-FECT** SOLUTION!

I MAKE THE JOKES! THERE'S A **CLAWS** IN MY CONTRACT!

LOOKS LIKE I'M THE CAT THAT GOT THE CREAM.

YOU'VE GOT TO BE **KITTEN** ME.

THIS WILL GET ELSIE VAN HELSING ONCE AND FOR ALL.

THIS WILL GET DRACULASS ONCE AND FOR ALL.

<STRING, **MUST PLAY** WITH STRING>

ELSIE'S TRIPWIRE.

SEEING THE WORLD FROM EACH OTHER'S POINT OF VIEW. HOW WONDERFUL!

SOMEONE'S BUBBLE IS ABOUT TO BURST...

I'M GOING TO BITE YOU. AND YOU. AND YOU.

LOOK AT ME - I'M SO SMART, I'M SO SMART.

WAIT. YOU'RE ME...

AND YOU'RE ME?
